

### **Terms and Conditions**

The cows are being sold without their 2020 calf and were exposed to the bull from 01/08/20 to 08/10/20. Their calves shall be weaned by the 10<sup>th</sup> November and the cows pregnancy tested and notified ready for uplift to the buyer. All cows become the buyer's risk from this point and should be uplifted ASAP. For any cow scanning not-in-calf, the buyer shall have the option to void the sale.

**Payment.** When the online auction is completed, The Livestock Link will confirm the sales with each buyer by email. Payment on invoice after the sale to be made to C & D Auctions with 25% downpayment and remainder due before shipment in November.

### **Health & Breeding.**

The breeding herd is on an IBR, Lepto and BVD vaccination programme. Next herd TB test January 2022.
