**WELCOME** to everyone attending our 4th AIRIES TEXEL FLOCK PRODUCTION SALE today and to anyone viewing and taking part on-line, and thank you for your interest.

Allow me to introduce ourselves and our flock to you. We are the Douglas family from Mains of Airies, and we produce Hereford & Angus cattle and Texel & Romney sheep.

We have been quietly breeding pedigree Texels now for 35 years, striving to produce a quality, hardy type of ewe with low demands. Along the way we have gained a loyal base of repeat commercial customers for our sale rams, who value our Texel genetics in their flock production.

My wife Alexandra and our four daughters all enjoy the lambing season and other sheep handlings and share my passion for our Airies Texel flock.

**John Douglas**

## AIRIES BREEDING PHILOSOPHY

- ✓ *Maximise the number of live lambs born whilst keeping vet & labour costs low.*
- ✓ *Produce a high-quality product to sell from a low cost of production.*
- ✓ *Keep things simple.*

## ESTABLISHING THE AIRIES TEXEL FLOCK

Our flock foundation females were mostly bought at Lanark from the East Middle flock. Successful early rams for us were from Annan, Boghouse, Cambwell, East Middle and Tinwald. Over the past 15 years we have used a few Dutch Texel rams and extended their influence through using home-bred sons, grandsons and great grandsons. This form of Linebreeding has worked well for us with our Ervie Hereford herd and has helped us achieve consistency, uniformity & type just as much with our Texels.

From the start as a Texel breeder in 1989, I endeavoured to produce sheep with a commercial purpose. **Productive, low-cost and problem-free.**

Our ewes lamb in March and are only housed at onset of lambing from the beginning of March. They are back to the field within a day or so after lambing.

Our aim is for medium sized ewes that are hardy, thrifty and milky enough to produce a good crop of lambs from grass. We do not creep feed any lambs. This allows selection for natural performance and produces sheep in good breeding condition.

# GENERAL INFORMATION

## LOCATION:

The sale will be held at C & D Auctions Limited, Dumfries Mart, Huntington Road, Dumfries. DG1 1NF

## METHOD OF SALE:

All sheep will be sold in pounds sterling.

## CONDITIONS OF SALE:

The sale is held under normal Dumfries Mart breeding sale conditions.

## SETTLEMENT & CLEARANCE:

Settlement in full is due to the Auctioneers at the close of the sale. All sheep must be removed from the market on the day of sale.

**PURCHASERS UNKNOWN TO THE AUCTIONEERS MUST SUPPLY A BANKERS REFERENCE BEFORE PURCHASING.**

## FLOCK HEALTH STATUS:

The Airies Flock is Maedi Visna accredited.

The breeding flock is on the Heptavac P vaccination program.

The flock is closed apart from rams bought from known hi-health flocks.

To our knowledge our sheep have no contagious disease, and we value highly our flock's disease-free status.

**Whilst there is no apparent reason for infertility, no future breeding warranty is given.**

## PEDIGREE REGISTRATIONS:

Shearling gimmers are birth notified and can be fully registered with the Texel Society.
