

AIRIES TEXEL RAM SALE 2025

Bred for purpose, bred for profit.

Welcome to our eleventh annual sale.

Our lambs are reared naturally on their mothers and at grass and we rely on genetics that can perform with minimal intervention from us. The sheep are shown straight from the field without "feeding & fitting", and you can trust they will not lose ground with you when you have them home. Since early days, our chief selection has been for unassisted births, and this has served us well and should be a substantial benefit to you.

We hope you find rams today that will do a fantastic job for your flock, and we wish you the best success.

We also offer strong draws of Texel cross gimmers and ewe lambs from our South Airies Romney ewe flock. These we recommend highly to anyone looking for an efficient, low-cost commercial ewe.

Yours sincerely, The Douglas family.
