

Airies Texel Sheep Sale 2025

On Thursday 18th September we held our 11th annual Texel Ram Sale on the farm. We had a great turnout of bidders, buyers and friends to support us and there was a good atmosphere. It was great catching up with customers and friends, old and new.

Top price ram sold for £2000 to Messers Thomson, Pilmuir, Hawick. Twenty-six Texel rams sold to an average of £1084.27.

Texel x Romney Gimmers sold to £270.

Texel x Romney Ewe Lambs sold to £235.

The following Friday we headed to Dumfries Auction Mart where we held our 4th annual Pedigree Texel Flock Production Sale. Thirty-one stock ewes and gimmers sold at an average of £384. The top price gimmer sold for £720. We are pleased with both outcomes from the sheep sales.

We owe thanks to auctioneer, Harry Begg and clerk, Louise Paterson from Dumfries Auction Mart. We are also grateful to Tony and Maureen Hailstone for their help with advertising on our website.

We really value everyone's help and support. Thank you to all our buyers and bidders for their confidence in our genetics. We look forward to seeing you all at future sales.

Top selling ram. Lot 24 – Sired by Airies Falcon.

Top selling gimmer. Lot 14 – Sired by Airies Gringo.
